

“2012 Winter POTATOES”

Begins On January 1, 2012 😊 😊

Join us for this exciting winter spinning program promoted by **AABTS** to encourage cyclist to participate in **Pedaling Our Trainers and Tracing Our Efforts South** to get through the winter in halfway decent shape after riding the “Giro D’Cantina 2012”.

The clock starts on Sunday January 1st 2012, and will stop at midnight on Saturday March 31st 2012.

Participants with 200 miles or more will be eligible to have their name entered for **a winning prize** to be drawn at the spring 2012 potluck.

In 2011, there were three winners. The three winners received a gift certificate from a local bike shop. Your chance of winning gets better with the number of miles ridden between January 1, 2012 and March 31, 2012.

The more miles you ride the more chance you have of winning one of the three prizes since lots assigned to each qualifying participant is proportional to total distance travelled.

The goal is to encourage AABTS members to stay in a decent shape through the winter season by riding from Ann Arbor to New Orleans (~ 1000 miles) via our stationary bikes.

For mileage log sheet, please go to the following link: <http://www.aabts.org> under “ride calendar and events”

2012 _POTATOES PDF files.

Good Luck !!

2012 POTATOES Rules
